Semiannual Progress Report – Selection of Remedy

AES Puerto Rico, L.P.

Agremax Temporary Storage Area (40 CFR 257.105(h)(12))

AES Puerto Rico, L.P. (AES-PR) is preparing this Report in accordance with 40 CFR 257.97(a) covering the period of September 13, 2019 through March 13, 2019. AES-PR completed a Corrective Measures Assessment (CMA) on September 13, 2019, which evaluated groundwater remediation alternatives based on applicable criteria listed in 40 CFR 257.97(b) and 40 CFR 257.97(c)(1)-(3). On December 12, 2019, AES-PR held a public meeting to discuss the findings presented in the CMA and receive comments concerning the CMA. AES-PR also accepted comments on the CMA through the AES-PR CCR public website through January 28, 2020. AES-PR received additional comments by email on February 12, 2020 and March 9, 2020. AES-PR is currently in the process of reviewing the comments received. Following review of comments on the CMA, AES-PR will select and design a corrective remedy as soon as feasible. Key activities and timing will be dependent upon the remedy that is selected and will be described in a Selection of Remedy Report prepared in accordance with 40 CFR 257.97(a).
